Description of the copyrighted work:

An advertising video made for our store Matstrumpor (matstrumpor.se) for our product "Sushi-Strumpor" (our ad "09-17 Nathalie captions musik", published by us on 17 September 2026). The animated image on the reported page is cut from this video: 20 of its 26 sampled frames are identical to frames of our video (perceptual-hash distance at most 6/64, compared as a square crop of our vertical video), as shown side by side on the evidence image.
